

Tadap tadap uthe jiya
Pukare man piya piya
Magar piya na tum mile
Magar piya na tum mile
Tadap tadap uthe jiya
Pukare man piya piya

Hasi gayi khushi gayi
Gulal sab chitar gaya
Ye roop sab utar gaya
Ke rang sab bikhara gaya
Rache na mahandi hath me
Saje na kajara aankh me

Kafan sabhi pe dal tu
Kidar gaya kidar gaya
Tadap tadap uthe jiya
Pukare man piya piya

Na tum mile ke bhigti
Rahi umar khadi khadi
Huikhe sath hathkadi bani
Ke aankh phuljhadi
Ke aayi na nind raat me
Na chain aaya phyas me
Jo aayi to aayi teri
Yaad hi ghadi ghadi
Tadap tadap uthe jiya
Pukare man piya piya.
