

Bulleya pi sharab te kha kabab  
Theth paal hatan ki agg  
Ho chori kar te bhan kar apna  
Awein duniya tu na thag haan

Raati jage, kare ibadat  
Raati jagan kutte  
Saari raat wo pehra dende  
Din ja rudi te suttey

Tain to uttey haan, tain to uttey  
Haan tain to uttey, haan tain to uttey  
Tain to uttey haan, tain to uttey  
Haan tain to uttey, haan tain to uttey

Kasam apne da dar na chaad de  
Paavein wajjan sau sau jutte  
Bulleh shaah tu yaar manaale  
Nai te baazi le gaye kutte

Tain to uttey haan, tain to uttey  
Haan tain to uttey, haan tain to uttey  
Tain to uttey haan, tain to uttey
