

Taaj tere liye ik mazahar e ulfat hi sahi  
Tujh ko is waadi e rangeen se aqeedat hi sahi  
Meri mehboob kahin aur mila kar mujhse  
Meri mehboob kahin aur mila kar mujhse  
Meri mehboob

Anginat logon ne duniya mein mohabbat ki hai  
Anginat logon ne duniya mein mohabbat ki hai  
Kaun kehtaa hai ki saadiq na thhe jazbe unke  
Lekin unke liye tashheer kaa saman nahin  
Kyon ke wo log bhi apni hi tarah muflis thhe  
Meri mehboob kahin aur mila kar mujhse  
Meri mehboob

Ye chamanzaar ye jamuna ka kinara ye mahal  
Ye chamanzaar ye jamuna ka kinara ye mahal  
Ye munaqqash dar o deewar ye mehrab ye taq  
Ik shahanashaah ne daulat ka sahara lekar  
Ham gareebon ki mohabbat ka udaya hai mazak  
Meri mehboob, meri mehboob  
Meri mehboob kahin aur mila kar mujhse
