

Haye akhiyan ch hanju mere
Teriyan hi yaadan vich
Par tenu naiyo ae pata
Bann pardesi kithe
Beh gayi ove kulli paake
Tak tak thaki teri raah
Teri rabb kolo mangdi duawan
Teri aayi te main marr javan haye
Mareeza di koi ho dawa
Hoye rusiya te pal ch manawa
Kedi gal dive deriya sajava haye
Taada main toh khoya ek baar
Le ja, le ja ve aake
Le ja, le ja ve jithe
Bhool jave saari duniya
Aake le ja, le ja ve aake
Aake le ja, le ja ve jithe
Bas tuiyo hove mere naal.....

Khushiyan ki hundiya ne
Tere bin sab bhul gayi aa
Peeda vi iko datt ke
Dil utte dull gayi aa
Rakhiyan jo sambh ke teriyan
Tasveera tak diya
Ki jaane tu kinj lokan diyan
Gallan toh bach diya
Chadeya tu menu naali
Chadd mere hanju chali
Puche na koi kalleyan di saah
Rabb jaane kyun na mudd ke
Watni tu aaya sajna
Aisi kedi banke deewar
Aake le ja, le ja ve aake
Le ja, le ja ve jithe
Bhool jave saari duniya
Aake le ja, le ja ve aake
Aake le ja, le ja ve jithe
Bas tuiyo hove mere naal.....

Pyar tere laiye
Just look into my eyes
Baby girl you are my sugar cup cake
Aaj toh main tera ik vaari toh vekh
By my side, tere liye main laya brownie
Sachi mere dil da ho jana break down ni
Aaja dil wali gal dil o bar main kadd'da
Tere layi billo ae jahan main chadd'da
Darr di ae kanu je duniya satave
Maar da jo tere val akh vi uthave
Zindagi nibhaun da je kar de deewana
Pyar je kitta ae te darr ta nu khauda
Ishq ch hojanda banda khaak ni
Ishq naalo adah kuj paak ni
Ishq ch kho baitha main khud nu
Mainu ishq hai tere naal, koi mazak nahi
Le ja, le ja ve aake
Le ja, le ja ve jithe
Bhool jave saari duniya
Aake le ja, le ja ve aake
Aake le ja, le ja ve jithe
Bas tuiyo hove mere naal.....
