

Hey kudi phool jhadi take it easy o baby
Haay sabpe aati hai jawaani
Le maza tu aye haseen
Hey kudi phool jhadi take it easy o baby
Haay sabpe aati hai jawaani
Le maza tu aye haseen
Ye to hai aashiqi take it easy o baby
Hey umar pyaar ki baate karle pyar ki
Hey kudi phool jhadi take it easy o baby

Roop yeh sona sona hai
Sabhi se bachake
Hai kamar tera chhalla
Dekha ke dil yeh dhadke
Lafdey dillagi take it easy o baby
Hey umar pyaar ki baate karle pyar ki

Tu to haskar karant maare
Take it easy o baby
Dekha ke tujhko bigade saare
Take it easy o baby
Ho mastkalandar hai yeh saare
Take it easy o baby
Hey tujhpe dil sab haare
Take it easy o baby
Lafdey dillagi take it easy o baby

Taaj si tu hain sunder
Raaj tera har dil par
Jaan le mushkil se hi
Milta hai sachcha dil bar
Aa chuka khaas tu take it easy o baby
Hey umar pyaar ki baate karle pyar ki

Ab jawani yeh kehti hai
Kab talak sambhalogi dil
Na khabar hogi tum kaise
Kaid se nikal jaayega dil
Kaise bhi pachhtayega dil
Raat katani hogi mushkil

Baat badhne se achha hai
Dekhata hai mujhko khush dil

Gorey mukhade pe yeh gussa
Take it easy o baby
Tum ho gori chand ka tukda
Take it easy o baby
Are har aashiq hai ukhda ukhda
Take it easy o baby
Ho dil pe tu hai kya jaghda
Take it easy o baby

Hey kudi phool jhadi take it easy o baby
Haay sabpe aati hai jawaani
Le maza tu aye haseen
Ye to hai aashiqi take it easy o baby
Hey umar pyaar ki baate karle pyar ki

Tann se dhalke jab yeh aanchal
Kamar balkha hi jaati hai
Fidda hote hai tab aashiq
Salamati aahi jaati hai
Mohabbat karne ke hai din
Nahi o jaa jaane jaa

Jawaani phir na ayegi
Mohabbat karlo meri jaan
Mohabbat karlo meri jaan
Mohabbat karlo meri jaan
Mohabbat karlo meri jaan.
