

Take me up take me down
Ye nashili jawani meri
Take me up take me down
Sari duniya deewani meri
Are duniya hi nahi baba
Apna gajodhar murari
Aur sattu bihari
Sat sat sat sattu bihari

Mai hasina yaha par khadi
Jaise bijli jami par giri
Zara botal se bahar to aa
Zara chakhle tu mera nasha
Kyu tu jaye udhar ki gali
Teri pyas bujha du yahi
Aaj mujhpe videshi chadi
Haye re meri jawani me
Jawani me jawani

Gaye re gaye saand pani me
Gaye re gaye saand pani me
Gaye re gaye saand pani me
Gaye re gaye saand pani me

Jo mai roti hu to mujhe rone de
Zara chaddar tan ke sone de
Raat abhi puri baki hai
Mai khali chor tu khulla khaki hai
Aise kaise jail me tu band karega
Kya sale mujhe nahi pata
Tu kya gand karega
Paper utha zara role to kar
Pal bhar to zara jhak jhor na kar
Aise kaise mai kar lu izhaar
Rat hui na bat abhi kar intzar
Dhire dhire sikh ise kahte hai pyar
Take me up take me down
Ye nashili jawani meri
Take me up take me down
Sari duniya deewani meri
