

Namaste behno aur bhaiyo
Bade hi kaam shabdo mein aapko
Sunanan chahta hun
Us saal ka lokpriya geet

Yeh....

Tu premi, yeahh
Mein premi!, control!
Tu raji, wait a minute!
Mein raji oh oh!

Ahha..

Salaam de jaata hua udan khatola
Aur biin bajati hui naagin

She about to go..
Tu premi aaha, main premi aaha
Tu raaji aaha, main raaji aaha
Phir kya daddy kya amma

Ek bas tu hi pyar ke kabil
Sara jaha hai nikammaaaa....

Tamma tamma loge
Tamma tamma loge tamma
Tamma tamma loge
Tamma tamma loge tamma

Tamma tamma loge
Tamma tamma loge tamma
Tamma tamma loge
Tamma tamma loge tamma

Biin bajati hui naagin..

Yo...

Woh badal gya..

Rkhu na baby koi bhi shanka

Apny pyaar ka baaja du danka
Tere mere beech mein jo koi bhi aaya
Uski laga du lanka

Chodh char ke duniya daari
Bass tere peechy pad gya mein
Sapno mein toh already..
Ghodi whodi chad gya mein

Mujhko baby lucky kr
Baat humari paaki kr
Itna kya sochy mujh ha
Bol ke tu naaki kr

Tujhe zaroorat mere jaise yaar ki
Mujhe zaroorat tere jaise yaar ki
Tujhe zaroorat mere jaise yaar ki
Mujhe zaroorat tere jaise yaar ki
Jale jo usko aur jalao
Nacho chhama chham chhamma aa...

Tamma tamma...
Tamma tamma....

Uppar chade ya neechy utre..

3, 2, 1 kill it..

Loge...
Tamma tamma loge
Tamma tamma loge tamma
Tamma tamma loge
Tamma tamma loge tamma
Loge...
Tamma tamma loge
Tamma tamma loge tamma
Tamma tamma loge
Tamma tamma loge tamma
Loge...
Tamma tamma loge
Tamma tamma loge tamma
