

Tantrums Lyrics

Hello suno mujhe mila karo summe summe
Padosi dekh lete tumhe ghumte ghumte
Aise na karo tum chummi vummi
Chalo kahin aur chalte na ghummi ghummi haan

Ab madam ke tante bhi jhelun
Bharatlyrics.com
Fir man bhi sametun
Fir dhan bhi bikheru
Fir ghar pe na milun
Aur ghar ke aas paas bhi dolun
Main hi fir bt'yan jhelun abey yaar

Aur kaam hi kya hai main to vella hun ji
Iske sar pe vaardi saari jama punji
Inse puchho jaana kahan hai jagah kaunsi
"aisa karo 5 star hotel lelo with jacuzzi

Aisa karo doob jaao usi me fir
Vaise hi jaana hai tumhe tumhe khushi me chidh
Chhoti chhoti baaton ka bakheda to banana hi hai
Baad me rona hai baby ko dukh hi me fir

"haan! Mera khayaal nahi rakhte
Mujhe to chhodo khud ko bhi sambhaal nahi sakte
Khudke baal dekhe hain? Behaal ho lagte
Baby baad me aana hum saath haand ni sakte

Status is important
Whether it is whatsapp or normal life
Coma paaye oh paaji thoda pause lagaaye
Mujhe samajh hi ni aa raha
It's true or common lie

Kyunki jhoot se cover kare zindagi
Ki madam ki karun main to bandagi
Ki sunun main sirf uski jaise vo mantri
Lemme tell you whole thing like like a summary

Mile the hum dono in a common party
Share karli thodi dono ne bacardi
Madam ki tashreef meri thi gaadi
Shor ho gaya tha para ne kisi ki bandi tapaali

Hum gaye the vahan se jagah market vali
Vahan 24/7 se do laal bull tapaali
Tapaali tapaali do laal bull tapaali

Fir jahan crash kara tha dost ke flat pe
Bhul gaye the dono hain kiske bed pe
Ek video lagaayi gupt vaale net pe
Same to same copy kar diya tha act me

Dono ban gaye actor
Didn't give a f about
Each other's magnitude or vector
Tabse bond tha badhiya like a bee to nectar

Fir dheere dheere pata ni chala kab badal gayi vo
Maybe bhatak gayi thoda sa ya sambhal gayi ho
Kar lun kitna sahi karti galti show
Sehna mujhe hi hai chaahe galti kisi ki ho

Ab chhod diya haal pe uske
Ab rehti khush vo maarke chuske
Milti daaru ab bar pe uske
Meri photo akhbaar pe uske
But she don't know me now
I don't give a shit
She'll be lonely cow
I'll need the milk

Aate nahi ab bill
Khaate nahi ab pill
Jabse gayi hai vo
Maamla hai chill

Mama mia mamuliza
Aate mujhko uske visualiser
She don't need a lighter

She knows how to set my soul on fire

Use jo chahiye tha main de na paaya
Aur mere matlab ka main le na paaya
To fir kayka nuksaan kayka faaeda
Ikki maa yaao bain-eeyaa bye
