Edo asey kaliginde

Eedey vedhinche
Aa theeyani baadha theesestha
Kasiga ni odilo
Nelavanke dachestha

Vayasula segalaki
Thadisina thanuvulu
Dahaalane theerchaga

Taquero mucho

Ni pedhalapai jareti ee madhuve
Allesi andhukona
Ni ontine oo veena chesi
Shruthe cheyana

Aranyame aashcharya poye
Andhala ambarama
Ni siggu ne kajese kshaname
Nayagarama

Naa manasulo dagunna
Oo sarigama
Praananikanna minnaga
Preminchana

Ee janma neede antu
Ottesi cheppeyana

Taquero mucho
