Veshalu nede vesanuga

Chutune aa mathe poye prathidi ika  
Kshanallo puga chese prathi srusti ga

Maaya kaada  
Kantine minchina kannuraa

li lensu lo life ne chudara  
Anni merugai chupada  
Nide merupai chupada

Aa vintento tistune kastale  
Ennunna istamga thochena

Kala lanu kante mugiska podu  
Parugulatho avi nesamayyi raavu  
Kalathalu raani samayamu poni  
Bharinchara venne chupaka  
Ni kala tiraka chasthundha

Aa rangulu rende kada  
Aa ende marchada edu ga  
Rangeyara ni ashake  
Aa vendi godanu cheraga

Yenthantha durana  
Gamyame unna  
Nenu sadhinchukona

li lensu lo life ne chudara  
Anni merugai chupada  
Nide merupai chupada

Aa vintento tistune kastale  
Ennunna istamga thochena.
