

Wah sajjan ji thouddiyan kya ne baatan
Thuadde din ne, thouddiyan hi ne raatan
Socheyan si main kade chann nu ae vekhna
Baahl mukki aa ke mukhde haseen te

Tareyan de des rehn waleyo
Yaad karda ae rehnda jo zameen te
O ho ho.. Tareyan de des rehn waleyo
Yaad karda ae thuanu koi zameen te

Wah sajjan ji thoddiyan kya ne baatan
Thodde din ne, thoddiyan hi ne raatan

Thuadde agge saah vi sadda kalla kalla nikle
Rab de muhon vi thounu masha'allah nikle

Thuoddi devaan ki misaal tussi aap bemisaal ho
Lekhan nu jagaun wale husan kamaal ho

Naam hai duaah thuadda, pata laggeya
Karo gaur sadde bole hoye ameen te

O ho ho tareyaan de des rehn wale'o
Yaad karda ae, rehnda jo zameen te
Ho ho ho taareya de des rehn waleyo
Yaad karda ae thuanu koi zameen te

Wah sajjan ji thouddiyan kya ne baatan
Thoudde din ne, thouddiyan hi ne raatan

Thuaddi rab tak pahonch
Sadda dil vi ni sunda
Thuadde lakhhan ne mureed
Sanu ik vi ni chunda

Saanu hans ke bula lo
Assi bade be-ummeed haan
Bolde aan sach assi
Thode jeh ajeeb haan

Pyar deyan rangan vich range rehn do

Satt maareyo naa kailey de yaqeen te

Ho ho ho taa...

O ho ho tareyaan de des rehn waleyo

Yaad karda ae thuaanu koi zameen te

O ho ho tareya de des rehn waleyo

Yaad karda ae thuaanu koi zameen te.
