---

Falak zameena sagaraan naal mashware foal  
Eh shaahid ne waqt de das den ge kuch khol  
6 7 vaari soch ke lafz de chhadi teer  
Kyon ke ehi faisle badalan ge taqdeer

Tamhga milda os nu jo hove qurbaan  
Eh baazi ae ishq di eh mangdi imaan

O khud mukhtaari qalb di hundi badi haseen

Khud mukhtaari qalb di hundi badi haseen  
Karo duavan shayaro dilbar ho jaye deen

Ik pal na moajoodgi vi nai ae manzoor  
Ajab hi kaarobaar ne ajab jahe dastoor

Aslan maslan kuch nahi eh chhoti jehi gal  
Fitrat vich paa keezgi har masle da hal

Be chaar kitaba foal ke tu banaya sartaaj  
Haale asli safar da hoya nahi aagaaz

Ho khush kismat ne jina de nibh de call qaraar  
Ja jo qismat kadan da kar len de israr  
Zindagi de karz samajhni samajhan nu pehla chhad  
Qadir kudrat kaun hai tu ki kann hai add

Kadi kadi afsurdagi dinde bada sukoon  
Likhna hove jad kade mehram da mazmun  
Likh misra mehboob da, likh misra mehboob da  
Phir maar de leek khud phir aake shayari bakhshe taufeeq

Gamsa qatar roobaiyaan nazam ghazal te geet  
Satinder sartaaj di inna naal preet

Satinder sartaaj di inna naal preet
