

Teliyade Teliyade Song Lyrics

Teliyade teliyade
Idivarakepudaina manasuke
Premokatundhani

Nijamidhe rujuvidhe
Yedhalo modhalaindhi alajade
Emauno ani

Parichayamoka vinthagaa
Malichenu kalisenthagaa
Mari mari thalache
Ninnila maruvalenantha

Adugulu yetu saagina
Adugunu ninu thelusuna
Gadichina mana samayamu
Nijamuga nilichenaa

Padha padhamani manasu ipudilaa
Jathapadamani aduguthondhigaa
Are are are endhuko ilaa
Kudhuruga nanu undaneedhugaa

Palikina prathi maatalo
Thelisenu preme ilaa
Mudipani venuventane
Nanu vidipothe elaa

Vadhaladhu madhilona
Modhalaina aavedhanaa
Maranamu lonaina ledhemo
Ee yaathanaa

Dorikina varamannadhi

Na sontham kaadhani thelisi
Manasuna uriminadhe
Aa megham kanulalo thadisi
Yedha sadi adigene nilavave

Vadhalalenu choodu ninnilaa
Oka kshaname

Padha padhamani manasu ipudilaa
Jathapadamani aduguthondhigaa
Are are are enduko ilaa
Kuduruga nanu undaneedhugaa

Gathamuna porapaatuni
Jarigina thadabaatuni
Suluvuga marichedhela
Payanamu maarchedhelaa

Evarini nammali
Naa dhari marettuga
Evariki cheppali ee bhadha
Theerettugaa

Manasunu dhaatesina maatemo
Pedhavulu dhaati
Bayatiki raadhento
Theliyani momaatamthoti

Viduvani jathavani kathavani
Yeduru chusthu nilichinaanila
Nee korakee....

Padha padhamani manasu ipudilaa
Jathapadamani aduguthondhigaa
Are are are endhuko ilaa
Kudhuruga nanu undaneedhugaa.
