

Telusa Neeke Pilla Lyrics

Telusa neeke pilla ninne dacha kannulalla
Chuste kanava pillu gudu katta gundellalla
Kanna kalalanni neeve ga nijamayi thellara
Chiru navvu pedavullo chera

Sontam nakokka daanive sagamaina meneeve
Naa ishtam premincha pove

Aadave bulli pittala gudi goode kattana
Paiki egira nee oohallo o patangai mabbulla
Punnamelalo nindu kadalelo padavalai podama
Apaiki ponge alachiranesi pellike kattudama

Urakavaddhe karige kalam venta
Undi podam okatai vidipoka

Telusa neeke pillu ninne dacha kannulalla
Kanna kalalanni neeve ga nijamayi thellara
Chiru navvu pedavullo chera
Sontam nakokka daanive sagamaina meneeve
Naa ishtam premincha pove

Gattupai pachha gattila nee chatupai valana
Ginjake paina pottula ninnu chuttura chuttana
Naa raani peru petti naa intike nenu raajunaipothanu
Oo cheeralu sarelu aa chetike ichhi sirilachhela chusthanu

Mulla daarullo nenu potuvunna
Ninnu daalullo naa daakuthunna

Telusa neeke pillu ninne dacha kannulalla
Chuste kanava pillu gudu katta gundellalla
Kanna kalalanni neeve ga nijamayi thellara
Chiru navvu pedavullo chera

Sontam nakokka daanive sagamaina meneeve
Naa ishtam premincha pove

Tana nana nanna taana

Tana nana nanna taana
