---

Premane oka lokam vundhile manakosam  
Andhulo kalakaalam jantaga kalisundham  
Choopule kalipedham maatale nilipedham  
Mayalo munakedham hayilo padiledham

Premajathalo saage payanam  
Dooramavadhe ye dooram  
Premakadhalo roju madhuram  
Neramavadhe ye neram

Telusa telusa chilipi manasa  
Nuvu naa yedhalo roopam  
Telusa telusa chilipi manasa  
Nuvu naa jathalo deepam

Nuvve naa manasuna devatha gudive  
Nuvve naa bathukuni maarchina badive  
Nuvve naa pedhaviki navvula sadive  
Nuvve naa aduguki puvvula jadive

Thellani thellani kaagithama  
Ranguni nenavana  
Allari allari paavurama  
Rekkani nenavana

Amaram akhilam premaa  
Manadhele andhamaa

Telusa telusa chilipi manasa  
Nuvu naa yedhalo roopam  
Telusa telusa chilipi manasa

Nuvu naa jathalo deepam

Choopule chadhivaanu saigale chadhivaanu  
Andhuke cheli nenu nenulaa marilenu  
Gundene therichaanu premane parichaanu  
Ninnila pilichaanu needala nadichaanu

Koti kalale kannadhi nayanam  
Cheyi kalipe neekosam  
Aadhamarupai choosenu hrudhayam  
Thodu niliche neekosam

Kalise kalise kanulu kalise  
Kalale merise premaa  
Manase manase mudulu bigise  
Vidani varase premaa
