

Tera badan bhi ha iek shola  
 Mera badan bhi hai ek shola  
 Jara si aag inko lagi to  
 Ye aag mujhse nahi bujhegi  
 Ye dillagi hamko fuk degi  
 Fuk degi ha fuk degi  
 Ye dillagi hamko fuk degi  
 Fuk degi ha fuk degi  
 To phir kya kare ahe bhare  
 To phir kya kare ahe bhare  
 Jal raha hai badan ho rahi hai ghutan  
 Jal raha hai badan ho rahi hai ghutan  
 Chalo aisa karte hai bahar chalte hai  
 Chalo aisa karte hai bahar chalte hai  
 Or khub bhigte hai barsato mein  
 Bada maja ayega ho bada maja ayega  
 Are re re kya kar rahi ho jara thahro  
 Pani se ye or bhadak uthegi  
 Pani se ye or bhadak uthegi  
 Ye dillagi hamko fuk degi  
 Fuk degi ha fuk degi  
 Ye dillagi hamko fuk degi  
 Fuk degi ha fuk degi

Eye suno thoda sa  
 Jal kar dekhte hai kyu  
 Ye shama parwane bhi to jalte hai  
 Ye shama parwane bhi to jalte hai  
 Kya wo deewane hote hai,

 Kya wo deewane hote hai  
 Jalne mein kuch to maja hoga,  
 Anjam iska kya hoga  
 Ham bach gaye to mohabbat milegi  
 Ham jal gaye to jannat milegi  
 Ham bach gaye to mohabbat  
 Mohabbat mohabbat milegi  
 Ham jal gaye to jannat  
 Jannat jannat milegi  
 Mohabbat milegi jannat milegi

Mohabbat milegi jannat milegi  
Tera badan bhi ha iek shola  
Mera badan bhi hai ek shola  
Jara si aag inko lagi to  
Ye aag mujhse nahi bujhegi  
Ye dillagi hamko fuk degi  
Fuk degi ha fuk degi  
Ye dillagi hamko fuk degi  
Fuk degi ha fuk degi.
