

Tera chand chehara banaane ki khaatir  
Hazaaron sitaaron ko toda gaya hai  
Tere is badan ko sajaane ki khaatir  
To laakhon gulaabon ko joda gaya hai  
O tujhe dil ke nazadeek laane ki khaatir  
Tere naam se naam joda gaya hai  
Tere baajuon mein samaane ki khaatir  
Zamaane ki rasmon ko toda gaya hai  
Tera chand chehara banaane ki khaatir  
Hazaaron sitaaron ko toda gaya hai

Chura to liya hai mere dil ko lekin  
Ye dar hai kaheen tu nazar na chura le  
Agar tujhako shaq hai mere pyaar par  
To meri jaan lekar abhi aazama le  
Tere lab pe surkhi jagaane ki khaatir  
Kanval ki ragon ko nichoda gaya hai  
Tujhe dil ke nazadeek laane ki khaatir  
Tere naam se naam joda gaya hai  
Tera chand chehara banaane ki khaatir  
Hazaaron sitaaron ko toda gaya hai

Tere haath mein wo lakeeren to honggi  
Jinhen mere dil ka pata yaad hoga  
Wo dil jo tumhaari wafa ka ho kaayal  
Use aur duniya mein kya yaad hoga  
Teri yaad mein sab bhulaane ki khaatir  
Ye chehara saari duniya se moda gaya hai  
Tera chand chehara banaane ki khaatir  
Hazaaron sitaaron ko toda gaya hai  
Zamaane ki rasmon ko toda gaya hai  
Kanval ki ragon ko nichoda gaya hai  
Tumhari nigahon ko odha gaya hai
