

Tera dimag aur mera shabab
Tera dimag aur mera shabab
Mil jaye to duniya ki chhuti ho jaye
Mil jaye to duniya ki chhuti ho jaye

Tu wada main kasam hu
Tu aashiq main sanam hu
Tu achha main kharab hu
Tu pani main sharab hu
Ye mithe pani main thodi sharab
Ye mithe pani main thodi sharab
Mil jaye to duniya ki chhuti ho jaye
Tera dimag aur mera shabab
Ho mil jaye to duniya ki chhuti ho jaye

Hum dono kyu door hai
Kya itne majboor hai
In zulfo mein phool hai
Lekin ye sab fiju hai
Hum dono kyu door hai
Kya itne majboor hai
In zulfo mein phool hai
Lekin ye sab fiju hai
