

Aayi na aayi na
Tum bin inn saanson ko saans aayi na
Pehna yahin rehna yunhi paas main sochun
Sochun tujhe pehnu teri yaad haa tu hi
Tu hi tere pehle tere baad

Zyaada maangu kya zindagi se
Mill jaaye mujhe tu khushi se
Jab sajda karun naam pehle tera lun
Zaroorat hai tu dil ki

Tere ishq dariya beh jaaun
Tu jahan rahe wahin reh jaaun
Ye khuda kare tujhe jee paaun
Tera ishq jee paaun

Tere ishq dariya beh jaaun
Tu jahan rahe wahin reh jaaun
Ye khuda kare tujhe jee paaun
Tera ishq jee paaun

Tu hi tu tu hi tu
Tu hi meri aadat ki zubaan haa re haa
Tum bin na to manzil na hi raah jo paa loon
Paa loon tujhe poori ho talaash guzaaru
Mujhko main guzaaru tere saath

Rahun uljha rahun main tujhi se
Aur suljhu bhi main bas tujhi se
Baat dil ki karun naam pehle tera lun
Zaroorat hai tu dil ki

Tere ishq dariya beh jaaun
Tu jahan rahe wahin reh jaaun
Ye khuda kare tujhe jee paaun
Tera ishq jee paaun

Duniya humari hadd se pare hai
Kaise bayaan ho yeh ishqpan
Hum dono yunhi ishq banaaye
Gum aashiqui mein ho dono ka mann

Ye palke bheegaun tujhi se
Yaad kar muskuraun tujhi se
Naam jab bhi main loon
Naam pehle tera lun

Tere ishq dariya beh jaun
Tu jahan rahe wahin reh jaun
Ye khuda kare tujhe jee paun
Tera ishq jee paaun

Tere ishq dariya beh jaun
Tu jahan rahe wahin reh jaun
Ye khuda kare tujhe jee paun
Tera ishq jee paaun.
