

I'm a bad bad girl  
I'm gonna rock your world  
Coz i'm a bad bad girl  
I don't give a damn  
I'm gonna rock your world  
With a gun in my hand

Dil luttiya ae mast nigaawan  
Dil luttiya ae mast nigaawan  
Tera naam japdi phiran soneya  
Main tera naam japdi phiran  
Tere naam toh sadke main jaawan  
Tera naam japdi phiran soneya  
Main tera naam japdi firan

If only i had eyes before  
See right through  
You sweetest guys  
Know that she can't see it  
But still let it go tonight  
To let it go tonight..

Let it go tonight  
To let it go tonight

Tere sath sikha maine  
Jeene ka salika re  
Tere sath sikha maine  
Jeene ka salika re  
Dukho ko bhulane ka  
Bhi aaya hai tarika re  
Dukho ko bhulane ka  
Bhi aaya hai tarika re  
Dukho ko bhulane ka  
Bhi aaya hai tarika re

Nach nach ke main  
Nach nach ke main  
Nach nach ke main  
Mauj manaawan  
Nach nach ke main

She'll make you go  
So crazy inside  
Don't try to stop her
