

Tera naam lene ki chahat hui hai  
Hume tumse shayad mahobat hui hai  
Tera naam lene ki chahat hui hai  
Tera naam lene ki chahat hui hai  
Hume tumse shayad mahobat hui hai  
Hume tumse shayad mahobat hui hai  
Sadiyo se hum bhi yahi keh rahe hai  
Sadiyo se hum bhi yahi keh rahe hai  
Hume tumse janam mahobat hui hai  
Hume tumse janam mahobat hui hai  
Tera naam lene ki chahat hui hai  
Tera naam lene ki chahat hui hai  
Hume tumse shayad mahobat hui hai

Suna hai zamana bada berahm hai  
Ise paremiyo se badi dushmani hai  
Oo, hajaro ne phir bhi mahobat ye ki hai  
Kitabo me unki kahani likhi hai  
Tumhe humne chaha, humhe tumne chaha  
Tumhe humne chaha, humhe tumne chaha  
To phir konsi ye kayamat hui hai  
Sadiyo se hum bhi yahi keh rahe hai  
Hume tumse janam mahobat hui hai

Tumhe dekhte hi dhadkata tha ye dil  
Kai bar tumse ye kahne ko aaye  
Na inkar kar do, isi dar se humne  
Sabhi raj dil ke tumse chhupaye  
Pata jab chala tum hume chahate ho  
Pata jab chala tum hume chahate ho  
To dil ko humare rahat hui hai  
Tera naam lene ki chahat hui hai  
Hume tumse shayad mahobat hui hai

Hume to mahobat nahi thi kisi se  
Hume pyar karana sikhaya tumhi ne  
Shok na humko magar tum samjhana  
Padhe hai fasane mahobat ke humne  
Jo nadan ban ke mile roj tum se  
Jo nadan ban ke mile roj tum se

Yahi ek hum se shrrarat hui hai
