

Tera sath hain itana pyara
Tera sath hain itana pyara
Kam lagta hai jeevan sara
Tere milan ki lagan mein
Hame aana padega
Duniya mein dubara
Hame aana padega
Duniya mein dubara

Maine tan mann tujh par vara
Pyas bujhi na karke nazara
Tere milan ki lagan
Hame aana padega
Duniya mein dubara
Hame aana padega
Duniya mein dubara
Ho tera sath hain itana pyara

Jitni tujhame hain ada utani hi
Wafa utani hi wafa
Jitna jahan mein pyar hain tujhse
Mujhe mila tujhse mujhe mila
Badhati hi jaye yeh betabi
Badhati badhati jaye yeh betabi
Jitana karu nazara
Hame aana padega
Duniya mein dubara
Hame aana padega
Duniya mein dubara
Ho tera sath hain itana pyara

Pyar ke ek ek pal pe hain sau
Jeevan kurban sau jeevan kurban
Pyar kabhi marta nahin marte hain
Insan marte hain insan
Naam usi kaa jeevan hain jo
Naam usi kaa jeevan hain
Jo tere sath gujara
Hame aana padega
Duniya mein dubara

Hame aana padega
Duniya mein dubara

Ho tera sath hain itana pyara
Kam lagta hain jeevan sara
Tere milan ki lagan mein
Hame aana padega
Duniya mein dubara
Hame aana padega
Duniya mein dubara
Maine tan mann
Tujh par vara pyas
Bujhi na karke nazara
Tere milan ki lagan
Hame aana padega
