

Tera Sach Song Lyrics

Escape now i got my pen with me
Main likh deni saari apni zindagi
Kade hoya madha mere naal kade changa
Seha mein bahut fer litta mein vi panga

1 time si ke har paasey mere pyar si
Te aaj kal mangey meri koi khair nai
Par mainu kise naal koi vair nai
Dil ch rakhda mein kise lai koi zehar nai

Ho chala apne raah jo laggey mainu sahi
Dushman ne saare aithe na dost koi
Jagaa deni eh kismat jo meri soyi
Jazbaat ne takat kamzori nai

You can keep hating on me
Just know i am one of you

Thode warga mein koi star nai
Hoye is dil te vi vaar kai
Eh jaan layi pehchan layi
Jo vi karda mein maapeyaan de maan layi

Gall jo mein bolan hundi oh jhooth nai
Jhooth bolde ohna di koi lodh nai
Madhe bandeyaan di aithe koi thordh nai
Te mere warge da tuhade kol tod nai

Keep making mistakes
Learn it the hard way

Realizations blessed to have these
Shukriya ohna da who went against me
Tryna play a game and trying to break me
Par main hoyi jaanda hard as you can see

Vekh mainu te akhan lai tu sek
I am a fine specimen mere warga sirf 1
Vekh tu dhyan naal araam naal

Mooh rakh band te kam rakh apne kam naal

Farak naiyo painda mainu jaan ton
Oh mere kol aa sabh kuch ae jaan tu
Pair zameen te te soch asmaan ae
Ho vairi vekh vekh mainu pareshan ne

Gaddiyaan wang mein karaan switch apna flow
Kade jawaan tez mein kade jawaan slow
Koi fikar nai waadu maal mere kol
Likhda jawaan dawaan raaz saare khol

Looking at me you are looking at yourself
I'm just a fucking reflection

Thode warga mein koi star nai
Hoye is dil te vi vaar kai
Eh jaan layi pehchan layi
Jo vi karda mein maapeyaan de maan layi

Gall jo mein bolan hundi oh jhooth nai
Jhooth bolde ohna di koi lodh nai
Madhe bandeyaan di aithe koi thordh nai
Te mere warge da thode kol todh nai

Absorbing absorbing all this fucking energy
It is time for me to radiate back to you

Thonu saareyaan nu karaan dhanwaad
Shakti naal kite ae abaad mainu
Bharatlyrics.com
Oh thodi shakal vekh aaunde aa sawaad
Te thonu lagda main hoya barbaad

Bure halaat ne banaya mainu sakht
Oh naa mein bhulna beet gaya jo waqt
Har 1 gall da kadh lawaan mein hall
Mehnat kar ho jaana mein safal

Ho come here karaan clear tere doubts
Ho champion jitte saare mein taan bouts

Ho running this game feet on the ground
Look up to me man i am chilling on the clouds

Bright like the sun loud like a gun
Sohna ae chehra saaf mera mann
Jithe mein jawaan karawaan dhan dhan
Playing with you peeps man just for fun

Thode waang karda na flip mein
Hatda na lawaan hit utte hit mein
Gal pata banda thonu poora sick mein
Bina wajah ton naa karaan kade diss mein

Ho gall sidhi jivein pathar te laqeer koi
Rawaan mast jivein hunda mein faqeer koi
Bade time ton si meri taqdeer soi
Auna daur mera rok saku naa koi

This is how we do it
Buddhabellz and tri
Signing out.
