

For the party people in the house
Let's get ready to hit the dance floor
Here we go now
Zero figure hai patli kamar hai
Jachte hain tujhpe saare colour hain
Thodi teekhi hai tez tarari hai
Aaj nach le hum dono dj raat bhar hai
Baraf aur mast daal
Ke apna dil maange dil more
Chalega ab kisi pe na koi zor

Tera thumka aag lagaye
Tera thunka moti banaye
Tera thumka sabko nachaye

Tera thumka aag lagaye
Tera thunka moti banaye
Tera thumka sabko nachaye

Tera thumka

Hey boy why are you stare at me
I know you were looking at me
Moving your body like a snake
Till it make you amaze
Come on let me see what you got

Dil ye kehta main tujh mein ghul jau
Leke tujhko kahin gum main ho jau

Baraf aur mast daal
Ke apna dil maange dil more
Chalega ab kisi pe na koi zor

Tera thumka aag lagaye
Tera thunka moti banaye
Tera thumka sabko nachaye

Tera thumka

Mila hoon jab se

Laga lehraane
Khayal kaise kaise mujhko behkaaye

Mila hoon jab se
Laga lehraane
Khayal kaise kaise mujhko behkaaye

Baraf aur mast daal
Ke apna dil maange dil more
Chalega ab kisi pe na koi zor

Tera thumka aag lagaye
Tera thunka moti banaye
Tera thumka sabko nachaye

Tera thumka.
