

Tere bin jiya na lage aaja re aaja re
Tere bin jiya na lage aaja re aaja re
Tere bin jiya na lage aaja re aaja

Bin chanda ki main hu chandaniya
Kaise karu dingar
Janam janam se pa na saki
Main sajan tera pyar
Bin chanda ki mai hu chandaniya
Kaise karu dingar
Janam janam se pa na saki
Main sajan tera pyar
Ankhiyan bich cupale mujhko
Aake ang lagale mujhko
Aake ang lagale mujhko
Tere bin jiya na lage aaja re aaja re
Tere bin jiya na lage aaja re aaja

Aanhko se tu dur hai
Pritam duniya mujhse dur
Preet meri ghayal panchhi
Udne se majbur
Aanhko se tu dur hai
Pritam duniya mujhse dur
Preet meri ghayal panchhi
Udne se majbur
Meri nagri aa na sake tu
Tere dware ja na saku main
Tere dware ja na saku main
Tere bin jiya na lage aaja re aaja re
Tere bin jiya na lage aaja re aaja

Aasuwan ke main deep
Jalake bhatku sari rain
Is dunia me chhupa hua hai
Mere mann ka chain
Aasuwan ke main deep
Jalake bhatku sari rain
Is duniya mein chhupa hua hai
Mere mann ka chain
