

Tere bina marz aadha adhoora hai
Ek dhundh hai
Shaam hai naa savera hai
Tanha hoon main
Phir bhi tanha nahi
Darr yeh hai ke fanaa ho na jaaun

Aa jaa na...
Nigaahon se ilzaam de
Aadaon se paigaam de
Koi toh mujhe naam de
Ishq hai bad-gumaan

Aa jaa na...
Nigaahon se ilzaam de
Aadaon se paigaam de
Koi toh mujhe naam de
Ishq hai bad-gumaan

Tu nadi ka kinaara
Gumnaam saa main hoon safeena

Tu hai mausam bahaara
Sookhi sookhi main heena
Jaan meri hai phasi ek mulaaqat mein

Kaise main ab jeeyun
Aise halaat mein
Sar pe gham ka hai jo aasmaan

Tere bina marz aadha adhoora hai
Ek dhundh hai
Shaam hai naa savera hai
Tanha hoon main
Phir bhi tanha nahi
Darr yeh hai ke fanaa ho na jaaun

Besabar ho rahi hai ye meri baahein
Tu kahaan hai?
Benazar ho rahi hai yeh nigaahain
Tu kahaan...?

Apne dil se mera haq mitaane lage
Mere har khwaab ko tum jalane lage
Dil mein bharne laga hai dhuaan...

Tere bina marz aadha adhoora hai
Ek dhundh hai
Shaam hai naa savera hai
Tanha hoon main
Phir bhi tanha nahi
Darr yeh hai ke fanaa ho na jaaun

Aa ja naa...
Nigahon se ilzaam de
