

Khub badi rangin mehfil hai  
Bada betab har dil hai  
Ghata me hai abhi bijli  
Abhi parde me kya  
Katil hai  
Tere chehre se parda hatana bhi hai  
War teri nazar ka bachana bhi hai  
Teri mehfil teri mehfil  
Teri mehfil teri mehfil  
Are teri mehfil ki khatir tamasha hai hum  
Tamasha hai hum ha tamasha hai hum  
Par tujhe ek tamasha dikhana bhi hai

O tere chehre se parda hatana bhi hai  
War teri nazar ka bachana bhi hai

Aaj dekhenge hum kya kayamat hai tu  
Kya gajab kya kahar hai kaisi aafat hai tu  
Are are re jaan leva agar tere andaz hai  
Hum darenge nahi hum bhi jaabaz hai  
Jaan leva agar tere andaz hai  
Hum darenge nahi hum bhi jaabaz hai  
Faisla ho faisla ho faisla ho faisla ho  
Are faisla aaj ho jaye har bat ka  
Har bat ka ha ha har bat ka  
Samne tu bhi hai ye zamana bhi hai  
O tere chehre se parda hatana bhi hai  
War teri nazar ka bachana bhi hai

Tu itna betab na ho dil ko zara tham le  
Benazara ho to koi shabar se kya kam le  
Khel hi khel me har khel bigad jaye na  
Is kaleje me aag ye koi bhadkaye na  
Bahut nache bahut nache  
Bahut nache  
Ha bahut nache tere isharo pe hum  
Isharo pe hum isharo pe hum  
Nach kar aaj tujhko nachana bhi hai  
O tere chehre se parda hatana bhi hai  
War teri nazar ka bachana bhi hai

Bala se jaan jati hai to jaye  
Are ji ke kya hoga  
Tadapkar rat din gam ka  
Zahar ye pi ke kya hoga  
Aaj tak tadpe hum aaj teri bari hai  
Aaj ki shab teri jaan pe bhari hai  
Are re dil tera aaj zalim ke panje me hai  
Beraham katilo ke shikanje me hai  
Dil tera aaj zalim ke panje me hai  
Beraham katilo ke shikanje me hai  
Dilo par parde  
Parde me ye khanjar  
Ek mewal tamasha khud na ban jana  
Tamasha dekhne wale  
Kuch aaho ko rang to lane de  
Bat ban jayegi waqt ko aane de  
Are re bat dil ki hai hothon pe kab se ruki  
Zulm kab tak sahe ab to had ho chuki  
Bat dil ki hai hothon pe kab se ruki  
Zulm kab tak sahe ab to had ho chuki  
O sitamgar o sitamgar o sitamgar  
O sitamgar bade zulm tune kiye  
Tune kiye ha ji tune kiye  
Aaj zulmo ka badla chukana bhi hai  
O tere chehre se parda hatana bhi hai  
War teri nazar ka bachana bhi hai  
Teri mehfil teri mehfil  
Teri mehfil teri mehfil  
Are teri mehfil ki khatir tamasha hai hum  
Tamasha hai hum tamasha hai hum  
Par tujhe ek tamasha dikhana bhi hai  
O tere chehre se parda hatana bhi hai  
War teri nazar ka bachana bhi hai.
