

Abh sambalna hai muskil,
Sirfren dil ka..
Kaisa mitha asar hai,,
Dil ki muskil ka..
Udd raha udd raha hai ye manzilon ke dhalan,
Tham le tham le tu sahilon ki tarah..
Ab jo thama hai tu fir na chhodna..

Tere hawale hai ye zindagi,
Tu hi to hai bas meri bandagi,
Tere hawale hai ye zindagi,
Tu hi to hai bas meri bandagi,
Mashwre tarah tarah ki, dadkne de rahi hai,
Mizaj ishq ki rangat, mujpe yu chad gyi hai..
Jinse fursat na chahu vo lambha ban gye ho,,
Har pal hai jisko jina vo umar ban gye ho..
Teri raho se maine rukh apna modna,,
Tere hawale hai ye zindagi,
Tu hi to hai bas meri bandagi,
Tere hawale hai ye zindagi,
Tu hi to hai bas meri bandagi,

Harkte sooh tarah ki, ab ye dil kar raha hai,,
Teri aakhon me jo vi likha, gor se pad raha hai..
Teri pahu me aa ke janat ki chhao lage,

Meri parwaaz ko ek mithi si rahat mile,
Khab mere adhure na chhodna,,
Tere hawale hai ye zindagi,
Tu hi to hai bas meri bandagi,
Tere hawale hai ye zindagi,
Tu hi to hai bas meri bandagi.
