

Tere Hoke Lyrics

Itno kisso kahani me aa hi gaye
Asaliyat me nazar to milao zara
Hum ne bhi dekhe hai mana chere kayi
Tere jaisa na dekha ik bhi yahan

Yeah tujhe pata mera naam kya hai
Jo tu na mili to jeene ka mukaam kya hai
Damn pata ke chhuke tujhe jaan jaye
Ya fir tere picche sach me meri jaan jaye
Tab bhi tere the aaj bhi ham tere hai
Kay tujhe dhoondne ko duniya palat dalu main
Mere soya hua janwar jaga du main
Mujhe dar hai tere payar ka mara
Bharatlyrics.com
Kahi itihaas na bana du main

Jab bhi hum tere hi the
Ab bhi hum tere hi hai
Tufaan me cheez banayi thi
Socha tha tumko sunayenge
Tufaan me dhun bhi toot gayi
Na jane panne kaha ud gaye

BHARAT
lyrics

Hum mar gaye tere hoke
Hum mar gaye tere hoke
Hum mar gaye tere hoke
Bas mar gaye tere hoke

Itno kisso kahani me aa hi gaye
Asaliyat me nazar to milao zara
Hum ne bhi dekhe hai mana chere kayi
Tere jaisa na dekha ik bhi yahan

Maine tere jaisi aaj tak kyu dekhi ni kabhi
Mere pyaar me hai der par ander ni kabhi
Aaya samne to tu nazre kyu ferti rahi
Duniya jaan leti rahi aur tum hasti rahi

Intezaar teri ankho ka khtam ho gaya
Tune hath choora aur main besharam ho gaya
Tere sath dikhta tha to main insan dikhta tha
Tere sath sanse lena bhi inaam lagta tha

Main mashoor ho jau to tujhe bhool na jau
Tere bare me main buri bate sunna pau
Tub hi samne aur khuda mere samne ho
Teri kasam dono me se ek ko chunna pau

Tujhe jana hai to abhi chali ja
Pyaar karne ka ye kaisa naya tareeka
Tere bina rakha jata nahi hisaab samay ka
Ke bina sanse chhor ke bhi tera rahega

Kaddi tainu yaad ni karna ve
Dobara tera naam ni laina ve
Ye ke din mere kash ni hoge hai
Kehndi aaj azaad si ho gayi main
Tujhe pata mera naam kyan hai

Main chala jab sidhi si raho pe
Tu jo dikh jane kaha mud gaye
Jab pata laga ek chhalawa tha
Tab tak manzil ka pata bhul gaye

Hum mar gaye tere hoke
Hum mar gaye tere hoke
Hum mar gaye tere hoke
Hum mar gaye tere hoke

Itno kisso kahani me aa hi gaye
Asaliyat me nazar to milao zara
Hum ne bhi dekhe hai mana chere kayi
Tere jaisa na dekha ik bhi yahan
