

Tere hothon ko salam  
Tere hothon ko salam  
Jin se chhun jaane ko tase  
Kai saagar kai jaam  
Tere hothon ko salam  
Tere hothon ko salam

Mujhe yaad hai hamara milna  
Yaad hai woh pal jab sab kuch badal gaya  
Sab kuch mil gaya  
Jab sab chhod ek sapno ki duniya mein pahoch gayi

In gulaabo pe jale jab se tabsoom ke diye  
Thik us din se meri pyas bujha ne ke liye  
Tere hothon ke kinare hai mere dil ka kayaam  
Tere hothon ko salam

Tum sapne dikhate gaye  
Main sapne dekhti gaye  
Us har sapne mein tum they  
Aur nahi bhi they  
Jaise ki tum mere liye sab kuchh they  
Lekin main tumhare liye thi

Tu jab in hotho ko daanton mein daba leti hai  
Ye teri chuppi si tufaan ka pata deti hai  
Pyas to in mein chhupi hai ise karde mere naam  
Tere hotho ko salaam

Phir woh pal nahi aate  
Tumhari yaade bas aati hai  
Un akele lamhon mein wahin yaade satati hai

Ankahe lafzo mein makum chhupa hai aise

Jaise phoolo mein mehek chhip mein moti jaise  
Bandh reh kar bhi ye dete hai mohabbat ke payam  
Tere hothon ko salam  
Tere hothon ko salam
