

Tere husn ki kya taarif karun
Kuchh kahate hue bhi darataa hun
Kahi bhul se tu na samajh baithe
Ki mai tujhase mohabbat karataa hun

Tere husn ki kya taarif karun
Kuchh kahate hue bhi darataa hun
Kahi bhul se tu na samajh baithe
Ki mai tujhase mohabbat karataa hun

Mere dil me kasak si hoti hai
Mere dil me
Mere dil me kasak si hoti hai
Tere raah se jab mai guzarati hun
Is baat se ye na samajh lenaa
Ki mai tujhase mohabbat karati hun

Teri baat me gito ki saragam
Teri chaal me paayal ki chham chham
Teri baat me gito ki saragam
Teri chaal me paayal ki chham chham
Koi dekh le tujhako ek najar
Koi dekh le tujhako ek najar
Mar jaae teri aankho kasam
Mai bhi hun ajab ik divaanaa
Marataa hun na aahe bharataa hun
Kahi bhul se tu na samajh baithe
Ki mai tujhase mohabbat karataa hun

Aa aa aa aa

Mere saamane jab tu ata hai
Ji dhak se meraa ho jaataa hai
Mere saamane jab tu ata hai
Ji dhak se meraa ho jaataa hai
Leti hai tamannaagadaayi
Leti hai tamannaagadaayi
Dil jaane kahaa kho jaataa hai

Mahasus ye hota hai mujhako
Jaise mai tera dam bharati hun
Is baat se ye na samajh lenaa
Ki mai tujhase mohabbat karati hun

Tere husn ki kya taarif karu
Kuchh kahate hue bhi darataa hun
Kahi bhul se tu na samajh baithe
Ki mai tujhase mohabbat karataa hun.
