

Dhundhen hai mera saaya bhi,  
Har lamaha tadape zindagi  
Dhundhen hai mera saaya bhi,  
Har lamaha tadape zindagi  
Kaise jiyu tere bin bata,  
Abb bata, bata de zara  
Laage naa jiya piya, o piya, piya, o piya  
Tere ishq mein kya kya kar gayi  
Tere ishq mein kya kya kar gayi  
Tere ishq mein kya kya kar gayi  
Tere ishq mein kya kya kar gayi

Aankhein baithi kohani tikaaye,  
Par hadon se unaki door tu  
Sapane dhundein har gali abb tujhe,  
Kaise tadap apani bataau  
Kaise jiyu tere bin bata,  
Abb bata, bata de zara  
Laage naa jiya piya, o piya, piya, o piya  
Tere ishq mein kya kya kar gai  
Tere ishq mein kya kya kar gai

Tere ishq mein kya kya kar gai  
Tere ishq mein kya kya kar gai

Bechaini dard ki chaadar hui,  
Jaagu main duniya so gai  
Aas ka chhota hai daaman,  
Apani mulaaqaate kho gai  
Kaise jiyu tere bin bata,  
Abb bata, bata de zara  
Laage naa jiya piya, o piya, piya, o piya  
Tere ishq mein kya kya kar gai  
Tere ishq mein kya kya kar gai  
Tere ishq mein kya kya kar gai  
Tere ishq mein kya kya kar gai  
Tere tere tere tere tere ishq mein  
Tere tere tere tere tere ishq mein  
Tere ishq mein kya kya kar gai  
Tere ishq mein kya kya kar gai

Tere ishq mein kya kya kar gai  
Tere ishq mein kya kya kar gai  
Tere tere tere tere tere ishq mein  
Tere tere tere tere tere ishq mein.
