

Uuf kya raat aai hai,
Mohabbat rang laai hai
Dam dam dubaa
Dubaa dubaa dubaa
Dam dam dubaa dubaa
Dam dam dubaa dubaa
Dubaa dubaa
Dam dam dubaa dubaa
Uuf kya raat aai hai,
Mohabbat rang laai hai
Ham jashan manaaenge,
Saagar chhalkaaenge
Na hosh men aaenge
Tere ishq mein naachenge
Tere ishq mein naachenge
Tere ishq mein naachenge
Tere ishq mein naachenge
Tere ishq mein naachenge
Jhuumenge gaayenge,
Ham dhol bajaenge
Tere ishq mein naachenge
Tere ishq mein naachenge
Tere ishq mein naachenge
Tere ishq mein naachenge

Galon ki laali hai tere lie
Hothon ki pyaali hai tere lie
Galon ki laali hai tere lie
Hothon ki pyaali hai tere lie
Dil chahie, dilruba chahie
Itna bataa tujhko kya chahie
Ye hasne ki jaagiren
Ham tujhpe lutaenge
Tujhe dil men basaaenge,
Tere ishq mein naachenge
Tere ishq mein naachenge
Tere ishq mein naachenge
Tere ishq mein naachenge
Uuf kya raat aai hai,
Mohabbat rang laai hai

Teri tijodi ka sona nahin,
Dil hai hamaara khilauna nahin
Oh o teri tijodi ka sona nahin,
Dil hai hamaara khilauna nahin
Kaise kharidoge tum pyaar men
Bikte nahin dil ye baazaar men
Vo chiz nahin hain ham
Jo yuun bik jaaenge
Ham to takaraaenge
Tere ishq mein naachenge
Tere ishq mein naachenge
Tere ishq mein naachenge
Tere ishq mein naachenge

Ai! Kahaan se aayaa hai tuu?
 Ham ko lagta paraaya hai tuu
 Apnon ki mahafil begaane ham
 Sab ki asaliyat ko pahachaanne hum
 Oh o apnon ki mahafil begaane ham
 Sab ki asaliyat ko pahachaanne hum
 Pathar ki muurat se takda gaye
 Achchha hua hosh men aa gaye
 Auqaat kisi ki kya ham
 Sab ko bataaenge ab na
 Sharmaaenge
 Tere ishq mein naachenge
 Tere ishq mein naachenge
 Tere ishq mein naachenge
 Tere ishq mein naachenge
