

Tere Ishq Ne Song Lyrics

Haa tera naam haathon pe likh diya
Toh kuch soch ke phir chupa diya

Yun jhukaake palkon ko naaz se
Bade qaatilana lihaaz se

Bekhudi ka rastaa dikhaa diya

Yeh jo chaand taaron ka noor hai
Kahi kuch hua toh zaroor hai
Tere ishq ne yeh sab kuch bata diya

Yeh mohabbaton ka usool hai
Tere vaaste sab qubool hai
Tere ishq ne yeh sab kuch bata diya

Pehli pehli aashiqui hai pehla pyaar hai
Jo bhi dil mein ho raha woh pehli baar hai

Ishq tumse hone laga beshumaar hai
Yeh pyaar hai ya junoon hai
Tere saath me hi sukoon hai
Milke tune jeena sikha diya

Yeh jo chaand taaron ka noor hai
Kuch hua toh zaroor hai
Tere ishq ne yeh sab kuch bata diya

Yeh mohabbaton ka usool hai
Tere vaaste sab qubool hai
Tere ishq ne yeh sab kuch bata diya
