

Maine poocha ye dil se
Main kyon hu jahaan mein
Ek dhadkan boli tere liye..

Maine yaadein tarashi
Aur khawb bana di
Nayi duniya basa di

Tere liye

Tere liye...tere liye
Tere liye...tere liye

Jo main kehta hoon
Jo sunta hoon
Jo sehta hoon
Tere liye

Main girta hoon
Sambhalta hoon
Phir chalta hoon
Tere liye...

Koi dard ho gehra
Koi akas ho bisra
Main kya hoon bata de
Tere liye..

Yaadon ka chehra
Koi khawb sunhera
Main kya hoon bata de
Tere liye

Tere liye..tere liye...
Tere liye..tere liye...

Main khoya sa ek lamha hoon
Bas iss pal hoon tere liye

Main aawara baatein hoon
Bas iss pal hoon tere liye

lyrics

Mere har marz ki tu hi dawa hai
Tu hi hai jo kabool woh dua hai
Ye ulfat hai ya koi nasha hai
Jisse choona chaahe woh tu dhua hai..

Tere liye...tere liye
Tere liye...tere liye

Jo main kehta hoon
Jo sunta hoon
Jo sehta hoon
Tere liye

Main girta hoon
Sambhalta hoon
Phir chalta hoon
Tere liye...tere liye...
