

Tere liye, ham hain jiye, honton ko siye  
Tere liye, ham hain jiye, har aansoo piye  
Dil mein magar, jalte rahe, chaahat ke diye  
Tere liye, tere liye  
Tere liye, ham hain jiye, har aansoo piye  
Tere liye, ham hain jiye, honton ko siye  
Dil mein magar, jalte rahe, chaahat ke diye  
Tere liye, tere liye

Aa.....

Zindagi, le ke aayi hai, beete dinon ki kitaab  
Zindagi, le ke aayi hai, beete dinon ki kitaab  
Ghere hain, ab hamein, yaadein be-hisaab  
Bin poochhe, mile mujhe, kitne saare jawaab  
Chaaha tha kya, paaya hai kya, hamne dekhiye  
Dil mein magar, jalte rahe, chaahat ke diye  
Tere liye, tere liye

Kya kahoon, duniya ne kiya, mujh se kaisa bair  
Kya kahoon, duniya ne kiya, mujh se kaisa bair  
Hukam tha, main jiyun, lekin tere baghair  
Naadaan hai woh, kehte hain jo, mere liye tum ho ghair  
Kitne sitam, hampe sanam, logon ne kiye  
Dil mein magar, jalte rahe, chaahat ke diye  
Tere liye, tere liye  
Tere liye, ham hain jiye, honton ko siye  
Tere liye, ham hain jiye, har aansoo piye  
Dil mein magar, jalte rahe, chaahat ke diye  
Tere liye, tere liye  
Tere liye  
Tere liye  
Tere liye  
Tere liye.
