

Love you every day
Love you every way
Love you every day
Love you every day
Love you every way
Love you every day

Love you every day
Love you every way
Love you every day
Love you every day
Love you every way
Love you every day

Tere liye haan haan tere liye
Mere dil mein uthein hai tufaan
Tere liye haan haan tere liye
Mere dil mein uthein hai tufaan
Tuhi meri zindagi ka hona
Aake dil mein mere raho na
Aa jaana ho ho aa jaana na
Na na kehna na dil todna na
Mujhe aawaaz de de tu chhupi hai kahaan
Ho tere liye haan haan tere liye
Dil ke armaan huye hai jawaan
Ho tere liye haan haan tere liye
Mere dil mein uthein hai tufaan

Love you every day
Love you every way
Love you every day
Love you every day
Love you every way
Love you every day

Yun hi ab dillagi karo na
Dekho yun bhi wajaah daro na
Na jaana ho na jaana
Keh rahe hai zameen aasmaan
Tere pyaar mein hai paagal

Mera dil meri jaan
Ho tere liye haan haan tere liye
Dil ke armaan huye hai jawaan
Ho tere liye haan haan tere liye
Dil ne ki hai ye naadaniyaan

Chhaa gayi chhaa gayi
Ye teri mastiyaan
Haan meri baahon mein
Kaisi ye dooriyaan
Ho tere liye haan haan tere liye
Love you every day
Love you every way
Ho tere liye haan haan tere liye
Dil ke armaan huye hai jawaan
Love you every day
Love you every way
Ho tere liye haan haan tere liye
Love you every day
Love you every way
Dil ne ki hai ye naadaniyaan
Love you every day
Love you every way
Tere liye love you every day
Love you every way
Tere liye love you every day
Love you every way.
