

Club mein tu aayi
Hone ko high
Head to toe coco mein nahayi

Seedha gayi bar pe
Deti nahi fuk
Lagta hai taaza taaza hua breakup
Baby all alone na koi sang
Hirni si aankhein baby sanwala rang
Dekh ke tujhko phooli hain saansein meri
Akad gaye mere ang

Baby kuch bhi raha nahi bass mein
Aise jaan na le meri hans ke
Bharatlyrics.com
Le baby neat pakad, beat pakad
Zor lagake thoda kass ke

Ni main vodka laga ke tere naal nachna
Ni main vodka laga ke tere naal nachna
Hoy main tera hi naa' ratna
Addi maar ke vehda pattna
Ajj main talli hoke hattna ni

Ni main vodka laga ke tere naal nachna
Ni main vodka laga ke tere naal nachna
Hoy main tera hi naa' ratna
Addi maar ke vehda pattna
Ajj main talli hoke hattna ni

Ho baby baby you don't care
Hawa mein tere udte hair
Haath donon in the air
Tu lage mujhe zone mein

Ho baby baby understand
De apna tu instagram
Ya le le mera number tu
Save kar phone mein

Fail karde tu nashe charas ke

Tere nakhre na kisi ke bass ke
Le baby neat pakad, beat pakad
Zor lagake thoda kass ke

Ni main vodka laga ke tere naal nachna
Ni main vodka laga ke tere naal nachna
Hoy main tera hi naa' ratna
Addi maar ke vehda pattna
Ajj main talli hoke hattna ni

Ni main vodka laga ke tere naal nachna
Ni main vodka laga ke tere naal nachna
Hoy main tera hi naa' ratna
Addi maar ke vehda pattna
Ajj main talli hoke hattna ni

It's yo boy badshah!

Ho baby baby you don't care
Hawa mein tere udte hair
Haath donon in the air
Tu lage mujhe zone mein.
