Tere naam se, tere naam se,
Tere naam se hamnawa
Tere naam se, tere naam se,
Tere naam se hamnawa

Ankhe har lamha jagi hai,
Chahat sanso me thami hai
Saje pal tere naam se
Khwahish man me ab nayi hai,
Khushi hai ab gam nayi hai
Hanse dil ab tere naam se
Tere naam se, tere naam se,
Tere naam se hamnawa
Tere naam se, tere naam se,
Tere naam se hamnawa

Girl are look at the face
Get me get me yammi
You are just just want i need
This is my frustran
Do you be one be mine
I know you be so fine

Meri rahoo ka tu rahnumaa ban gaya
Jiske dam se jiyoo wo dua ban gaya
Jindagi ki meri sari ranayi tujhse hai
Har khushi meri haa ab ayi tujhse hai

lyrics

Koi arzoo rahi na koi justjuu bachi na
Mila sab tere naam se
Chhune se tere bahka huu,
Ragbat me teri bahka hu
Jo mai hu tere naam se
Tere naam se, tere naam se,
Tere naam se hamnawa
Tere naam se, tere naam se,
Tere naam se hamnawa

Iss jammen se falak tak
Tu hi tu har jagah
Ru baru sab hai ab jiski
Tu hai wajah
Jee raha jindagi ab,
Tumko hi soch kar
Chain milta hai, haan
Tumko hi dekh kar
Ishk me duube mosam ka,
Pyar me bheege alam ka
Hai asar tere naam ka
Badli meri zindgani,
Jo bani nayi kahani
Tere naam se
Tere naam se, tere naam se,
Tere naam se hamnawa
Tere naam se, tere naam se,
Tere naam se hamnawa
Girl are look at the face
Get me get mein yammi
You are just just want i need
This is my frustran
Do you be one be mine
I know you be so fine.
