

O tere naino ke mai dip jalaunga  
Apni ankho se dooniya dikhalaunga  
O tere naino ke mai dip jalaunga

Achchha, woh kya hai, ek mandir hai  
Us mandir me, ek murat hai  
Yeh murat kaisi hoti hai  
Teri surat jaisi hoti hai  
Woh kya hai

Mai kya janu chhanv hai kya, aur dhup hai kya  
Rang birangi iss dooniya kaa rup hai kya  
Woh kya hai, ek parvat hai  
Us parvat pe ek badal hai  
Yeh badal kaisa hota hai  
Tere aanchal jaisa hota hai  
Woh kya hai

Mast hawa ne ghunghat khola kaliyo kaa  
Jhum ke mausam aaya hai rang raliyo kaa  
Woh kya hai, ek bagiya hai  
Us bagiya me kai bhanvare hai  
Bhanvare kya rogi hote hain  
Nahee dil ke rogi hote hain

Aisi bhi anjan nahee mai abb sajna  
Bin dekhe mujhko dikhata hai sab sajna  
Achchha, toh woh kya hai, woh sagar hai  
Us sagar me ik naiya hai

Are tune kaise jan liya  
Mann kee ankho se nam liya  
Woh kya hai.
