

Tere pyar ka ye asar hai
Meri jaan meri rooh bhi ab be sabar hai
Teri chahaten teri aaduten
Teri sokhiyon main hai ghum
Tere pyar ka ye asar hai
Meri jaan meri rooh bhi ab be sabar hai
Teri chahaten teri aaduten
Teri sokhiyon main hai ghum

Tu hi to hain zindagi meri
Tu hi to hai bandagi meri
Tu hi to hai, han tu hi hai

Tu hi to hai saadgi meri
Tu hi to hai aashique meri
Tu hi to hai har kushi

Raahton main chahaton main
Aadton main sahmiil rahi
Teri mohobbat meri ebadat
Iski delavat karti rahi
Raahton main chahaton main

Aadton main sahmiil rahi
Teri mohobbat meri ebadat
Iski delavat karti rahi
Tere naam ka kalma padhti hun
Dil raat dua ye karti hun
Tu rahe bs mera

Tu hi to hain zindagi meri
Tu hi to hai bandage meri
Tu hi to hai, han tu hi hai

Tu hi to hai saadgi meri
Tu hi to hai aashique meri
Tu hi to hai har kushi

Minnaton se siddaton se
Rehmaton se tu hai mile
Awargi si zindagi thi

Isko sahara tune diya
Tere sajde main sar ye jhukta hai
Din raat dua ye karta hai
Tujhpe sab hain fana

Tu hi to hain zindagi meri
Tu hi to hai bandage meri
Tu hi to hai, han tu hi hai

Tu hi to hai saadgi meri
Tu hi to hai aashique meri
Tu hi to hai har khushi.
