Tere raahan vich khde ban butt ni

Koi deve na jabab bilo raniye
Ni rahiye tere wall jhaak de

Akhan terian ne haan san kehdian
Ni bull tere naah aakhde
Akhan terian ne haan san kehdian
Ni bull tere naah aakhde

Jinian ne terian sahelian
Akh sariyaa de mere utte rehndi ae
Par sadi akh vich tuhi wass di
Baki dunian nazar hi na peindi ae
Aasi moodhe kine aye hoye rishte
Na neede hoyia kise saak de

Akhan terian ne haan san kehdian
Ni bull tere naah aakhde
Akhan terian ne haan san kehdian
Ni bull tere naah aakhde

Raahan khich dian pair tere wall nu
Ho! Vekhi kite dil nu na tod di
Le ke kineya chirra da challa rakheya
Dena teinu ae jo sohniye na modh di
Teri deed de gullam ho gye nain
Tahio rehnde tere raahan nu watch de

Akhan terian ne haan san kehdian
Ni bull tere naah aakhde
Akhan terian ne haan san kehdian
Ni bull tere naah aakhde

Hor kdo taain kre gi tu addhian
Jdehde dil ch dabbi ae gal khol de
Tu vi kardi ae pyaar daljit nu

Ik vaari ae bullan cho bas boll de
Aasi reh na jaiye vanjli vjaunde hi
Ni vangu kite ranjhe chaak de

Akhan terian ne haan san kehdian
Ni bull tere naah aakhde
Akhan terian ne haan san kehdian
Ni bull tere naah aakhde
