

Humse tera rishta kya hai
Shayad koyi samajhega na

Dil se dhadkan, rooh se jeevan
Sadiyon ka mausam se jaisa
Iss bandhan ko khone na du

Sau janamon tak isme jee lu
Teri khatir jannat ko bhi
Haste haste rukhsat kar du

Aasmaan bhi kam lage mujhko
Itni ulfat jo tumse hai mujhko
Jo khuda bhi maang le tumko
Chahein kuch bhi ho
Na main du tumko

Mar bhi jaunga toh laut aaunga
Bas tere sang jeene ko

Kaise mohabbat karun
Do din ki zindagi mein
Kaise samandar bharun
Apni hatheliyon mein

Ab toh khuda se kahun
Mujhko kahi zindagi de
Jee bhar ke jee lu
Main pyar kar lu
Mujhein ye khush kismati de

Pura aasmaan bhi kam lage mujhko
Itni ulfat jo tumse hai mujhko
Jo khuda bhi maang le tumko
