---

Tere te mardi si  
Tenu kardi si

Tere te mardi si, tenu kardi si  
Main pyar bada  
Tu dil da kala si, haye ve bala si

Dagebaaz bada  
Tu mainu lut gaya ve rooh nu lut gaya ve,  
Lut gaya ve..  
Mainu lut gaya rooh nu suddh gaya  
Main andro sada..main andro sada..

Tere te mardi si, tenu kardi si  
Main pyar bada  
Tu dil da kala si, haye ve bala si  
Dagebaaz bada, dagebaaz bada..

Mardi si, kardi si

Tere ik bol te ve, haye main kholte ve  
Dil de raah sare..dil de raah sare..  
Tu bhedi hoke ve, le gaya kholke ve  
Mere armaan sare..mere armaan sare..

Tu ujade si, bade hi maade si  
Bade hi maade tu ujaade  
Main lekha naal lada  
Main lekha naal lada..  
Tere te mardi si, tenu kardi si  
Main pyar bada  
Tu dil da kala si, haye ve bala si  
Dagebaaz bada, dagebaaz bada..

Mardi si, kardi si

Deedar o kede aa, jo dil de nede aa  
Jinna te tu marde, jinna te tu marde..

Ve main teri si, ve main teri aa  
Kyun hunn door karde  
Kyun hunn door karde  
Na jarr hunda ae, na marr hunda ae  
Na marr hunda na jarr hunda  
Tu gaira naal khada

Tere te mardi si, tenu kardi si  
Main pyar bada  
Tu dil da kala si, haye ve bala si  
Dagebaaz bada

Tere te mardi si, tenu kardi si  
Main pyar bada  
Tu dil da kala si, haye ve bala si  
Dagebaaz bada, dagebaaz bada..
