

Kardi aa vibe ni kill
Saanu teri tu khavein
Kyun taras na mere te
Ho lutti phire town
Tu billo ni saara
Na nikleya kar kalli gehde te

Kardi aa vibe ni kill
Saanu teri tu khavein
Bharatlyrics.com
Kyun taras na mere te
Ho lutti phire town
Tu billo ni saara
Na nikleya kar kalli gehde te

Tere te, tere te, tere te
Akh meri khad'di aa tere te
Tere te, tere te, tere te
Akh meri khad'di aa tere te

Koyi vi naa tere mukable di
Ni tu saareyan to kem ni
Main dil laayi phirda haan tere naal
Tere kol porra vi time ni

Mundeyan nu laare tu laave
Jhoothiyan kasman tu khavein
Kardi aa fake tu promise'an
Saanu rab hi bachave

Tere te, tere te, tere te
Akh meri khad'di aa tere te
Tere te, tere te, tere te
Akh meri khad'di aa tere te

Usne kara swing poora town gaya hil
Woh proper scene kare kill
Bottle kare pop, pop kare pill
She looking at me sare karo chill

Woh grind karti hai solo

What you need haan baby bolo
Jab kare walk sab kuchh lage slow mo
Up and down jaati like a yo yo

DJ kar drop dance wali beat
Toone kara move badha di toone heat
I wanna see you shake kar de repeat
Thake na zara bhi like an athlete

Tere te, tere te, tere te
Akh meri khad'di aa tere te
Tere te, tere te, tere te
Akh meri khad'di aa tere te
Tere te, tere te, tere te
Akh meri khad'di aa tere te
Tere te, tere te, tere te
Akh meri khad'di aa tere te.
