

Tere vaaste falak se main chaand laaunga
Solah satrah sitaare sang baandh laaunga
Tere vaaste falak se main chaand laaunga
Solah satrah sitaare sang baandh laaunga

Chaand taaron se kaho
Abhi thehrein zara
Chaand taaron se kaho
KI abhi thehrein zara

Pehle ishq lada lun uske baad laaunga
Pehle ishq lada lun uske baad laaunga

Janaab-e-aali
Janaab-e-aali
Hum se mohabbat hai
janaab-e-aali

Janaab-e-aali

Toh ik hidaayat hai
Janaab-e-aali
Hum hain zara hat ke
Janaab-e-aali

Rehna zara bach ke

Dekha jaye toh vaise
Apne toh saare paise
Rehke zameen pe hi vasool hain

Chehra hai tera chanda
Naina tere sitaare

Ambar tak jaana hi fizool hai
Ambar tak jaana hi fizool hai

Iske baad bhi agar
Tujhe chain na mile
Poori karke main teri ye muraad aaunga
Tere vaaste falak se main chaand laaunga
Solah satra sitaare sang baandh laaunga

Chaand taaron se kaho
Abhi thehrein zara
Chaand taaron se kaho

KI abhi thehre in zara

Pehle ishq lada lun uske baad laaunga
Pehle ishq lada lun uske baad.
