Ho ho janee janee janee, ho janee
Teree meree ha meree teree, teree meree yaree badee puranee

Aankho ne dekha dil machal gaye, uff ham dono kitne badal gaye
Kitne mausam aaye nikal gaye, uff ham dono kitne badal gaye
Tune mujhe pehchana, mai hu wahee bhulee kahanee
Ho ho janee janee janee, ho janee
Teree meree ha meree teree, teree meree yaree badee puranee

Surat woh lekin woh najar nahee, dono pe kya gujaree kabar nahee
Koyee shikwa kar lo magar nahee, dono pe kya gujaree kabar nahee
Tune mujhe pehchana, mai hu wahee sapno kee ranee
Ho ho janee janee janee, ho janee
Teree meree meree teree, teree meree yaree badee puranee.
