

Teri baaton ke ehbaaron mein
Khone bhi do na
Thodi chaahatein,ghabraaten
Badhne bhi do na
Haan yahi karta raha main
Raat bhar intzaar
Kah do na mere rahnumaa
Tumko hai mujhse pyaar
Teri baaton ke ehbaaron mein
Khone bhi do na
Thodi chaahatein,ghabraaten
Badhne bhi do na...

Har pal mujhpe tera hi..
Tera hi bas khumaar
Bas me hai mere main kar dun
Tera ye saara jahaan
Tera mera saath ho, jag se judaa...
Tu hi meri zindagi...tu hi khudaa
Teri baaton ke ehbaaron mein
Khone bhi do na
Thodi chaahatein,ghabraaten
Badhne bhi do na..

Bahti hawaaon se churaaon tere
Naam-o-nishaan..
Sadke tumhare main utaarun
Ye zameen..aasmaan..
Bas dil mile do yahaan
Mahka karen...
Tera hi shaam-o-shahar
Sajdaa karen...
Teri baaton ke ehbaaron mein
