

Rote hain naino main
Liye hue ashkon ke sailaab
Dhundhte hain patharon pe
Likhe hue tera hi naam

Sote hain seene pe
Liye hue chand ka pahad
Rom rom main sarakti hai
Teri hi yaad teri hi yaad
Teri yaad

Aey khuda kya gustakhi thi
Meri jo chubhti saza di
Mohabbat main tanhai ki
Aisi gehri fiza di

Kyun zindagi main bewaqt
Imtehaan leta hai
Dard bhari zubaan pe
Teri hi yaad teri hi yaad
Teri yaad

Kahan hai tera rehero karam jo
Dhundhta hai sara jahaan
Kahan hai tera rehero karam jo
Dhundhti hain ye akhiyaan

Sote hain sine pe
Liye hue chand ka pahad
