

Teri nazar ka nishana hoke  
Phirta hun main  
Sab se begana hoke  
Teri ghani yeh  
Zulfe jaanejana  
Uljhati hain  
Mere dil ko rozana  
Teri naa mein bhi haan lage  
Yun na ab tarsa

Teri kami hai tu kaha  
Tere liye hun main yaha  
Teri kami hai tu kaha  
Tere liye hun main yaha

Dekha tujhe maine ye jaana  
Tera mera ye rishta purana  
Teri yaadein aati rahin  
Gungunati rahi meri jaan  
Tu bas khadi muskurati rahi  
Kuch batati nahin jaan

Teri naa mein bhi haan lage  
Yun na ab tarsa
